Molescroft Theatre Club

Presents...

Bugsy Malone!

The children in Years 4 to 6 will have the opportunity to perform in this year's spectacle, bringing the streets of 1929 New York to Molescroft. The story of Bugsy Malone starts with Dandy Dan's hoodlums terrorising the district, exterminating undesirables with their new weapon splurge guns. His rival is Fat Sam Stacetto, who runs the Grand Slam Speakeasy, but Fat Sam's gang still use old fashioned cream pies! Fat Sam engages the help of Bugsy Malone, a smooth city slicker who has been more occupied in sweet talking Blousey Brown, a would be girl singer. With Bugsy's help, Fat

Sam escapes from a frame up but he learns later that Dandy Dan's mob have splurged nearly all his gang. They've also destroyed his sarsparilla and grocery rackets the whole empire's gone! There's only one hope left. Fat Sam pays Bugsy 400 dollars in exchange for more help. Bugsy, who has promised to take Blousey to Hollywood, has to break his date with her. Is she mad! Meanwhile, Bugsy and Leroy Smith, a guy with an awesome punch, witness a secret delivery of splurge guns at Dock 17. With a bunch of down and outs, they help themselves from the crates.. A showdown begins...Splurge, custard pies, flour bombs... More details on [page 2](#).

Theatre Club 2025 Y4-Y6

Everybody Cares, Everybody Learns, Everybody Matters

Monday Night is Theatre Club Night!

The most commonly asked question when Mr. Lancaster announced his retirement was, 'Will the show go on?' Of course! The amazingly talented Molescroft team are all still here ensuring that this Molescroft highlight will continue, and I am greatly indebted to them already. There are fantastic opportunities for singing, dancing and acting for all our Year 4 to Year 6 pupils. As in the past, Y4 to Y6 Urban Routines dance clubs will be preparing some spectacular routines for the show. As always, we invite all children to be a part of the show in years 4-6. Rehearsals for Theatre Club will be held largely on Monday evenings after school from 3:30pm though there may be some on other evenings for soloists.

The first meeting for everyone interested will be on Tuesday 4th March 2025 from 2:45pm. At this meeting the story will be explained, and numbers looked at so that chorus groups can be arranged. Most importantly arrangements will be made to support those in Year 5 and Year 6 who wish to take on a solo role. There are some absolutely wonderful character parts for boys and girls in equal measure. Some soloists will also have to be able to sing, act and dance extremely well as there are challenging roles. There will be a lot of involvement for the

chorus members with some fantastic dance routines. This is going to be a magical adventure for all those who wish to participate.

Whereas I realise that performing on stage is not everyone's "cup of tea", I do hope the children will once again want to be part of a great Molescroft tradition.

Monday 10th March 2025 will be the main audition session from 3:30pm to 6:00pm for Year 5 and 6 only. This will be to audition singing talent and the ability to tell a story through song. Children will audition by singing at least part of a song of their choice, lasting around 1 minute long. This may be with a backing track or unaccompanied. They will also be asked to read part of a story of their choice with dramatic effect. There may be recalls. In addition children will learn a dance to demonstrate their ability to pick up dance moves quickly. Final decisions will not be announced until after a public performance in assembly on Friday 14th March 2025.

Eventually there will be a rehearsal schedule meaning that children will not have to attend every Monday evening or indeed for the full Monday evening rehearsal. It will be important though that every child involved does attend when required and that once a

commitment is made it is expected that everyone will see the project through to the end.

Children will be able to make a decision on whether they wish to remain with the production up to Thursday 20th March 2025 when final lists will be published. Pupils however MUST be available for each night. This is a commitment to the team effort, the show, friends and the school.

Parents will be asked to sign to indicate that they are keeping the three performance nights and dress rehearsal free.

Children may bring a snack to the club to be eaten at a scheduled break time.

The first rehearsal will be on Monday 31st March though the soloists may rehearse before this date. As always the rehearsal period is going to be extremely tight!

Costumes will either be provided by home, or where necessary we shall source and buy costumes as required.

Parents will be asked to pay for these costumes up to a maximum of £15.

Further details will be sent home with the children who express interest in participating in this year's production.

Professor Brainstorm

£2 Suggested Contribution payable on School Money

Professor Brainstorm is back to amaze the children with his science experiment shows on **Tuesday 4th March**. He uses impressive science experiments to encourage the children to test theories, explain how the science works and take part in some truly amazing moments of science! Each child from Foundation Year to Year 6 will

participate in this STEM week spectacle. **We are therefore asking for a £2 per child contribution which enables us to continue providing these exciting opportunities for our children.**

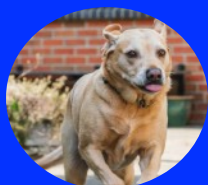

Consultation Evening

Time to meet the teachers!

Monday 31st March & Tuesday 1st April 2025

The booking system will shortly be opened for appointments for our 'Parent Consultation Meetings' this March/April. Those with siblings must have a 10 minute gap between appointments. Parents will be supported through multiple entrances to multiple waiting areas and then to leave with books to take home.

These meetings are such an important part of our partnership and we encourage you to bring your children with you to your appointments so that we can share with them all the great things they have been doing!

Kevin, our therapy dog, has loved his half-term break in the Lake District...it looks like he needs to now put his paws up for a rest!
